## Work Experience

### AXA Direct & Partnerships April 2014 - Present

#### *eRate Analyst*

Building, maintaining and updating AXA's Personal Lines rating engine; creating pragmatic and elegant solutions which are aligned to the pricing, underwriting and business requirements.

Proactively working with key stakeholders; (such as pricing, projects and IT teams) in order to deliver accurate and timely pricing changes, small change, defect fixes, projects and aggregator mappings.

### Zurich Global Corporate UK February 2014

#### *Work experience within Actuarial Reserving and Pricing teams*

Updated reserving spreadsheets and made preliminary estimates ready for incoming 2014 Q1 data.

Analysed market data for models' rate change assumptions. Conducted initial analysis of new business's claims history.

### Buckinghamshire County Council - Legal & Democratic Services June - August 2012; July 2013 - March 2014

#### *Assistant Complaints Officer/Assistant Claims Handler:*

Processing and investigating public liability claims against the council. Repudiating claims or requesting settlement from contractors, based on evidence of due diligence/negligence.

Managing case files of high-level customer complaints and Ombudsman investigations to facilitate timely dispute resolution.

## Skills

**Problem Solving** Through my studies of Mathematics I have built up a large range of skills and techniques that can be used to analytically provide business focused solutions which may not be directly maths based.

**Organisation and Leadership** A role as Treasurer for the University Green Society put me in charge of managing cash flows and being responsible for event management. My team-working and leadership were tested and built upon through roles in three sports teams throughout my time at University.

**Computer Literacy** Beyond a comprehensive knowledge of Office programs, I am also proficient in SQL, VBA, 'R' Statistical language and MATLAB coding.

**Language Skills** Competent speaker of German and French.

**References available upon request**
